Fundraisers

- **BART CFAC Craft Fair Fundraiser.** On Saturday, May 5, CFAC will host a *Mother's Day Spring Craft Fair* at the school in order to raise money for our students. The first hurdle is signing up vendors! Craft and retail vendors are needed, along with baked food vendors and food trucks. Please help spread the word so that the fair can be a success and, ultimately, benefit your child's experience at BART. Share the [vendor application](#) and [event flyer](#) online on multiple Facebook pages, or by posting flyers at area businesses, libraries, post offices, and any place with a public informational bulletin board.

Assessments

- **MCAS Attire.** Students are allowed to wear jeans (blue, free of holes, rips and tears) on the days that *their grade* takes its MCAS assessments.

Report Cards

- **Third Quarter Report Card.** Third quarter report cards are now available on [PowerSchool](#). Paper report cards will be sent home next week.

Announcing New Teacher Home Visit program

BART is pleased to announce that we have received a grant to pilot a Teacher Home Visit Program this spring. What is a "Teacher Home Visit"? In this program, teachers reach out to families to set a time when they can visit you and your children in the home or community. Teachers will visit in pairs, and many will be taking the opportunity to introduce a teacher whom your child will have the following year to assist in their transition to the next grade. Because BART draws students from many communities in our area, this program is a great way for to strengthen the connections between the school and families.

If you are interested in participating in this program or have any questions, please contact Erin Egan, Health and Wellness Coordinator, at 743-7311 (ext. 730) or by email at erin.egan@bartcharter.org.
