We serve 360+ students in grades 6–12 from 15+ communities in the Berkshires.

Berkshire Arts & Technology (BART) Charter Public School is a tuition-free public school.

We teach a classic college preparatory curriculum, supported by creative and technological skills.

We are committed to expanding opportunities for our students to ensure that they are well prepared for college and provided with the tools for personal success.

We believe that arts and technology support learning.

We emphasize a college-focused school culture from day one.

We build strong relationships.
